Overview

SR Engineering Services is a multidisciplinary engineering and contracting company dedicated to delivering high-quality, cost-effective, and sustainable solutions across the construction and infrastructure sectors. Headquartered in Islamabad, Pakistan, we specialize in civil construction, Architectural works, MEP (Mechanical, Electrical & Plumbing), HVAC systems, and infrastructure development.

Our team consists of experienced professionals and certified engineers who bring technical expertise, innovative thinking, and a results-driven mindset to every project. From design to execution, we offer comprehensive turnkey solutions tailored to meet the unique needs of commercial, industrial, and government clients.

With a strong focus on quality, safety, and timely delivery, SR Engineering Services has built a reputation for excellence and reliability. Whether it's a small-scale facility upgrade or a large infrastructure project, we are committed to engineering solutions that stand the test of time.
